

Parkhaven Trust

Established 1888

We offer a home-from-home day centre for people with dementia. We provide the highest standards of specialist care and support for families.

There is always plenty going on at The Willow Centre from yoga to gardening, singing and hair and beauty. All set in our beautiful purpose-built centre surrounded by our historic woodlands.

“Thank-you for looking after our mum. You showed her such respect and dignity. You all treated mum with such kindness. It made things so much easier for us knowing she was in good hands. We are so lucky to have found your wonderful day centre.”
